

Dear Parents/Guardians,

We are looking forward to welcoming back those families who are choosing to send their students back to in-person learning on Monday.

Please return all school devices on Monday when your child returns so that they will be able fully participate in the full day learning with their respective classes. The classroom teacher will indicate the return on the class master list.

Students who remain in remote learning will be provided with asynchronous learning opportunities via the myClass LMS. Teachers will be posting asynchronous learning materials daily to keep the students engaged with the learning of the class. Feedback will be provided through an ongoing basis from your child's teacher. If your child/children are going asynchronous – please let Ms. Gojmerac/office/child's teacher know so that we can ensure the appropriate codes in SmartFind and Student absence.

We will continue to answer your questions as we receive information and direction in the upcoming weeks from our School Board and Public Health.

We thank everyone for their patience as we continue to navigate through another transition.

Thank you for your continued support.

Mr. Iassogna and Ms. Standish
